

A PRESTIGIOUS EVENING MARKING THE BEGINNING OF A NEW ERA

DUBAI NOVEMBER 29, 2023

The Nektar Gala will be held in Dubai on the 29th day of November 2023 following the International Innovation Conference (IIC) and Alliance General Assembly and, ahead of COP28.

It will be a prestigious evening in support of the Alliance Initiative. A piano concert is being organized by Georges Tomb, an award-winning composer and pianist of international fame, and an exhibition and auction will be presented by A Brush with Luxury.

Our aim is raising awareness to the issues faced by youth and funds to deliver high-impact results and our approach is to offer participants and collectors once in a lifetime experience, access to invaluable artworks, sculptures, paintings, sports memorabilia and collectibles for sport enthusiasts and off course jewellery.

+ 50 Heads of States and Ministers as well as Sheikhs, Members of Royal Families, Business Leaders, Sovereign Wealth Funds, Athletes and Celebrities from the MENA region and around the globe are scheduled to attend.

Arrangements are being made with participants to organize sport and music events before and after the Gala to raise awareness, to donate arts or other items for the auction or to host donors around a lunch or dinner for their support and generosity.

Some of the items for auction will be made available in the form of Non-Fungible Tokens (“NFT’s”) and available for trading globally before and during the Gala.

One of the highlights of the evening will be the auctioning of Naming Rights to finance the infrastructures and programs of the Alliance and some of the world’s most sort after paintings and artifacts. All items to be auctioned will be finalised by the end of July and the auction catalogue will be digitally distributed to members, patrons and interested parties by the middle of August.

Funds raised will be used by the Innovation Alliance to build education, sports and health infrastructures and programs dedicated to youth in the territories of members of the Alliance.

NEKTAR GALA

A Concert Orchestrated by Mr Georges Tomb

At Nektar, we relentlessly search for exceptional individuals that share our vision. As part of our music initiatives, we call for artists to join us. To compose, perform and to record music. To help us raise awareness and to support our mission.

It didn't take long for Mr Tomb to answer our call and to drink the Nektar. It was immediate. Mr Tomb did not just offer to donate his time to create a memorable experience for guests of the Nektar Gala. Mr Tomb offered to compose the anthem of the Alliance. An anthem that will be played around the world in every National Center of Excellence and Education, Sport and Health Laboratories.

An anthem that will be distinguished and that will inspire for generations.
